

Governor DeSantis has issued an executive order directing all Florida restaurants and other food establishments to suspend any on-premises consumption of food or alcohol.

Establishments are permitted to operate their kitchens for the purpose of providing take-out services.

Linkside Café will provide take-out options for the Community as follows:

- **Lunch Monday thru Saturday 11AM to 3PM**
- **Dinner Tuesday & Friday 5PM to 7PM**
- **Call 941-637-6405 to place an order**

At the present time the pro-shop will remain open.

Watch for further updates as we continue our review of the executive order.

This is an extremely fluid situation. Stay tuned!!!
