# Dress Code

## **All players are to be properly attired:**

Burnt Store Marina CC seeks to promote a friendly, relaxed atmosphere in which players can enjoy their day on the course or the driving range. There is a dress code at this club and all golfers are expected to have presentable attire at all times. Shorts are acceptable provided they are of reasonable length. As a rule, they should be no higher than 4 inches above the knee. Men are expected to wear collared shirts, turtlenecks or collared tee shirts and sleeves at all times. Women may wear sleeveless, collared or collarless sleeved shirts. Tank tops, muscle shirts, tee shirts with any picture and/or writing other than logos are not permitted for either gender. Metal golf spikes are not allowed on this golf course however all players must wear golf shoes or appropriate footwear. Barefoot play is not allowed.

Please see the Golf-Shop if you need to be fitted with soft spikes. If a questionable situation regarding dress code arises, the Golf-Shop staff will be judge of whether the attire is deemed appropriate.
